## GUIDING QUESTIONS FOR HON. MEMBERS ON SECURITY SECTOR BRIEF

Hon. Prof. Julius Ihonvbere	Assess how your agency is doing in terms of effective
(Leader)	implementation of your mandate? Identify specific
	areas of challenges and speak to how the National
	Assembly can assist.
Hon. Bello Kumo	How efficiently are the armed forces and police in
Chief Whip	achieving their mandate (in terms of time and cost) on
	the scale of 1-5, 1 being bad and 5 being very good?
	Give reasons for your answer.
Hon James Falake (Finance)	What is your opinion regarding inter-agency
	collaboration among security agencies in Nigeria?
	How can inter-agency collaboration be strengthened?
Hon. Kingsley Chinda	What are some of the issues relating to tur-wars and
Minority Leader	rivalry between security agencies? Highlight any
	specific issues your agency is having with any other
	agency(ies) that affect the implementation of your
	mandate?
Hon. Halims Abdullahi	Is the mandate of every Ministry, Department or
Deputy Leader	Agency (MDA) clear? Is the MDA carrying out activities
~6,	to cover every aspect of its mandate?
Hon. Ali Isah	Is there a shared understanding between the security
Minority Whip	agencies about the most pressing security challenges
$\mathcal{O}_{I,I}$	as a base for the development of security policies and
	practices that meet the security needs and concerns of
	all citizens?
Hon. Aliyu Madaki	What is the current policy in the sector (National
Deputy Minority Leader	Defense Policy)? When was it formulated? (Legislator
	to get copy of the policy. Many sectors have outdated
	policies. Normally, policies should be updated every
	five years.)
	Hon. Bello Kumo Chief Whip Hon. Kingsley Chinda Minority Leader Hon. Halims Abdullahi Deputy Leader Hon. Ali Isah Minority Whip Hon. Aliyu Madaki

S/N	Member	Question
8.	Hon. George Ibezimako	Is there is sectoral plan and strategy for your agency?
	Ozodinobi	What are some of the strategic objectives and
	Dep. Minority Whip	priorities.
	, (a)	
9.	Hon. Yusuf Gagdi	Is the legislative framework regulating the tripartite
	Navy	armed forces adequate and up-to-date. Are there any
		gaps? (Legislators shall review the law before that
		question is being posed).
10.	Hon. Makki Abubakar	What would say is the most significant and lingering
	Yalleman (Police Affairs)	challenge hampering the effectiveness of the Nigerian
		police force? What do you propose to the House as
		remedial measures?
11.	Hon. Abubakar Nalaraba-	How effective has the National Counter Terrorism
	Aids, loan and debt	Strategy been in the whole of government approach
	management	to fighting terrorism?
12.	Hon Dolapo Badru-Industry	Are there enough personnel across the various
		security agencies? What are some of the specific areas
		of need in this regard and how can it be addressed?
13.	Hon. Abubakar Mamudu	List in order of priority the issues will you like the
	(Army)	relevant committees of the National Assembly to
	(5)	attend to, give the rationale for these?
14.	Hon. Idem Unyiwe-Public	Give your opinion of this oversight activity being
	Procurement	conducted regarding your agency. What worked well?
		Give reasons for your response. What did not work
	10,,	well? Give reasons for your response.
15.	Hon. Hussaini Jalo-Pensions	How can a bottom-up approach to oversight of the
. (	8	security sector be established to minimize office-based
		interaction with top senior officials alone to allow for
		full transparency?
16.	Hon. Sada Soli	Are there possibilities for the crop of highly
		experienced retired generals and their equivalents in
		other services in administering the security sector be
		appointed to carry out necessary security sector

S/N	Member	Question
		reforms? How can their knowledge and experience be
		capitalized effectively?
17.	Hon. Jimi Benson	What are the strategic priorities of the Defense Sector
	(Defence)	and what mechanisms have been put in place to
		ensure effective implementation?
		How do you monitor implementation of projects in
		your sector? (The latest implementation reports or
		monitoring and evaluation reports shall be shared.
		What are the main challenges facing your specific
		Office?
18.	Hon. Ademoring Kuye-	Is there synergy or cooperation among various
	Public Assets	intelligence organizations in timely sharing of
		intelligence or where exactly are the operational gaps
		and challenges?
19.	Hon Okojie Odi-	How are issues relating to human rights abuse treated
	Petroleum Midstream	in the various security agencies? Do you consider
		these to be adequate?
20.	Hon. Ginger Onwusibe-	Are there alleged issues of security compromise by
	Financial Crimes	your staff? If yes, how are handling such issues?
21.	Hon. Olamiju Akala	Can all security agencies exactly state their equipment
	Youth in Parliament	and logistics needs for operations and in extension list
	~6,	specifically what equipment and logistics would need
		to be provided and why?
22.	Hon. Hamisu Ibrahim	Armed Forces: Though Nigeria is unlikely to fight a war
	Chidari-	with any of its neighbours, but in the likelihood of it,
(	Privatisation and	can Nigeria decisively bring the weight of the armed
0	Commercialisation	forces to bear in order to bring the war to a speedy
		conclusion favourable to Nigeria?
23.	Hon. Kayode Akiolu-Anti-	You are engaged in intensive operations currently
	Corruption	while cost of aviation fuel is increasing: How are you
		coping with this challenge and other challenges? What
		can the House do to assist?

S/N	Member	Question
24.	Hon Eze Nwachukwu Eze-	Do you have adequate and necessary platforms to
	Financial Institutions	effectively undertake operations? How have you been
		maintaining available platforms in the face of present
		economic realities?
25.	Hon. Akin Rotimi-Media and	Are the number of equipment, (heavy) arms, aircrafts,
	Public Affairs	platforms etc. and their mix sufficient to curtain current
		security challenges?
26.	Hon. Ahmed Satome-	How has the use of technology assisted the military in
	National Security and	combating present security challenges vis-a-vis
	Intelligence	gathering of intelligence? Where would more
		investments be needed? Is there an evaluation on this?
27.	Hon. Shehu Hassan	NAF: The NAF is a highly technical service and
	Hussaini-Customs and	resources are limited to continue to go abroad for
	Excise	every spare requested. What are you doing about
		regularly scheduled rill (RSD) and how can the
		legislature be of help to further encourage this?
28.	Hon. Victor Nwokolo-Power	A recent study showed that many of the small arms in
		circulation are illegally acquired from the armoury of
		security agencies. How do you respond to this finding?
	(5)	How are cases of misuse of firearms handled in your
		agency?
29.	Hon Mohammed Bello	Do you have specialized training institutions? Are the
	Elrufai-Banking regulations	training institutions adequate and enough? Is there
		joint training of security personnel? If not, why so?
30.	Hon James Falake-Finance	Are all MDAs trained in human rights, democracy and
.(	3	the rule of law? DO they share the same curricula as
0		the standards should be the same nationwide?
31.	Hon. Ugonna Ozurigbo-	How are the security agencies empowering local
	Niger Delta Ministry	partners to contain insurgency?

32. Hon Bamidele Salam-Public Examples shall be shared. How do you respond to the clamour for State Poin view of your expertise and knowledge of the sin view of your expertise and knowledge of the sapect of the given mandate? What are the gaps aspect of the given mandate? What are the gaps specific items were budgeted for? What is the percentage of capital vs. recurrent? What account this distribution?  35. Hon Asiaka Ibrahim-National Planning and Economic Development Submission, c) budget defense, d) budget release and e) procurements and expenditure.  36. Hon. Aminu Jaji-Ecological Fund What aspects of your last year's budget will you were best implemented? Give reasons for your response.  37. Hon. Khadijah Bukar-Maritime, Safety, Education and Administration What activities/expenses of your agency will you propose to have an increase in budget in the new budget cycle? Give reasons for your response.  38. Hon. Miriam Onuoha-TetrFUND and other In view of the security challenges bedevilling the country, the military still requires platforms and

	)
Services equipment to prosecute counter terrorism insur	gency
operations. However, the volatile forex regime c	eates
a wide gap in the equipment cost between the t	ime of
budgetary approval and when equipment is sup	plied.
How has this challenge been tackled by security	
agencies and how can the National Assembly ac	ldress
assist in this regard?	
39. Hon. Mohammed Bio- Why do we still maintain security vote despite its	;
Legislative Budget and unconstitutional status? Are you not worried that	
Research Research has shown that it is one of the easy path	n for

S/N	Member	Question
		corruption? And how do you counter and fight
		corruption? It's important to get specific detail around
		defense expenditure.
40.	Hon. Fatsuma Talba-Women	Considering the heightened violent conflicts and
	in Parliament	insecurity in the country and the growing level of sub-
		nationally funded vigilante groups, what are your
		thoughts regarding guidelines for national legislation
		on quasi-policing or the establishment of state police
		in the country?
41.	Hon. Yinka Aluko-	What is the recruitment plan to ensure proper
	Privatisation and	functioning of the agency, where exactly are
	Commercialisation	succession gaps and how can they be bridged?
42.	Hon. Obed Shehu-Small	Are there plans to increase the living conditions of
	and Medium Enterprises	security officers to be able to make a proper living in
		order to not be prone to corruption?
43.	Hon. Obordor Mitema-FOI	Are there plans to provide scholarship awards for
	Reforms of Government	children of officers / personnel which died while in
	Institutions	active service? Are such plans well-funded and
		adequately followed through?
44.	Hon. Sesoo Ikpagher-Ethics	Are all security personnel in Nigeria adequately
	and Privileges	accommodated? How are they housed in their various
		areas of posting? Little or no barracks accommodation
	~@``	has been shown to negatively impacting service
		delivery.
45.	Hon. Moshood Osun-	What is your medical policy for security personnel,
	Financial Crimes	especially regarding illnesses that are not covered by
.(	30	NHIS?
46.	Hon. Adamu Tanko-	Apart from promotion and monthly emoluments, what
	Diaspora	other reward systems do you have in place? What
		motivational mechanisms do you have in place for the
		personnel?
47.	Hon. Dabo Ismail Haruna-	There have been incidences where the members of
	Public Assets	the NPF alleged that they buy their uniforms in the

S/N	Member	Question
		NAF. Do you give uniforms to personnel and how
		often?
48.	Hon. Jonathan Gaza-Solid	NPF: Are there further developments on the Pension
	Minerals	Scheme, which is currently before the president for
		assent?
